

Job Posting: Licensed Pump Installers

Company: Sterling Hose, Reel & Supply, LLC.

Location: Your Region or Across the Country (Hiring across North America)

Position Type: Full-Time

Experience Level: 10+ Years

License Required: Current Pump Installer License

About Us:

Sterling Hose, Reel & Supply, LLC. is a leader in the water well industry, dedicated to providing top-notch products and services. We are looking for experienced and licensed pump installers to join our team and help demonstrate new products and assist with water well pump and well hose installations.

Job Description:

We are seeking skilled Licensed Pump Installers to join our team. In this role, you will have the opportunity to showcase new products and assist with water well pump and well hose installations either in your region or across the country. Your expertise and experience will be essential in ensuring high-quality installations and customer satisfaction.

Key Responsibilities:

- **Product Demonstration:**
 - Showcase and demonstrate new water well products to customers and potential clients.
 - Educate customers on the benefits and features of our products.
- **Installation and Maintenance:**
 - Assist with the installation of water well pumps and well hoses.
 - Provide maintenance and troubleshooting services to ensure optimal performance of installed systems.
- **Customer Interaction:**
 - Interact with customers to understand their needs and provide appropriate solutions.
 - Offer professional advice and support to customers regarding water well systems.
- **Travel:**
 - Travel within your region or across the country to various job sites as required.
 - Ensure timely and efficient service delivery to all clients.

Qualifications:

- **Experience:**
 - Minimum of 10 years of experience in the water well industry.
 - Proven track record of successful pump installations and customer service.
- **Licenses and Certifications:**

- Current Pump Installer License is mandatory.
- Additional certifications related to the water well industry are a plus.
- **Skills:**
 - Strong technical knowledge of water well systems and equipment.
 - Excellent communication and customer service skills.
 - Ability to work independently and as part of a team.
 - Proficient in troubleshooting and problem-solving.

What We Offer:

- Competitive salary and benefits package.
- Opportunities for professional growth and development.
- Supportive and collaborative work environment.
- Travel expenses covered for out-of-region assignments.

How to Apply:

Interested candidates are invited to submit their resume and a cover letter detailing their relevant experience to careers@sterlinghose.com Please include "Licensed Pump Installer" in the subject line of your email.
